TRANSMITTAL LETTER

Sir:

Applicant, by the undersigned, herein requests that the fees for the above-identified application be charged based on its status as a large entity. Applicant filed an Amendment Under 37 CFR §1.111 accompanied by a Petition and Fee for a one-month Extension of Time on January 7, 2005 in the subject application. The Petition and Fee for Extension of Time inadvertently authorized a one-month extension fee based on small entity status rather than large entity status. Accordingly, Applicant respectfully submits that the extension fee charge as a small entity fee of \$60.00 was in error; thus, the one month extension fee for a large entity should have been charged.

The Commissioner is hereby authorized to charge an additional \$60.00, which is the fee covering the difference in the amount authorized for payment as a small entity upon filing of the Amendment Under 37 CFR §1.111, and the amount due as a large entity, to Deposit Account 19-0065.
